## What is REACH ?

Community REACH is a nonprofit organization providing services to adults and children with disabilities since 2014. REACH provides services in the State of Indiana funded by the CIH and FS Medicaid waivers.

At Community REACH, we believe that our success is measured by the successes of the people we serve. Community REACH offers many individualized programs designed to help each person meet their goals.

Community REACH offers various activities and opportunities to explore self-interests including volunteering, cooking, arts and
